Dear Member,

As part of its mission, the Asian Pacific American Bar Association (APABA) is committed to "identifying and encouraging new talent to enter into and excel in the legal profession." This mission can be furthered by providing meaningful opportunities for law student members to establish mentorship relationships with judges and practicing attorneys. To this end, the Law Student Committee of APABA is coordinating its annual Mentor/Mentee Program in the Fall of 2004. We would like to invite you to participate in this important program and serve as a mentor to one of APABA's law student members.

Since we are keenly aware that all of you are busy, we wanted to be sensitive to your time constraints and schedules. Accordingly, the Mentor/Mentee Program will consist of a few select events: an October reception at which you will be introduced to your mentee, a day for your mentee to "shadow" you in your workplace, the APABA Installation, and a Dodgers game in the Spring.

APABA's Mentor/Mentee program can only be successful with the participation of members like you. By sharing just a small amount of your time, you can make a significant impact in the experiences and development of APABA law students.

If you wish to participate, please fill out the enclosed application form and return it in the enclosed stamped envelope. If you have any questions regarding this program, please feel free to contact any of our committee members below. Thank you for your help in ensuring the continued success of our Mentor/Mentee program.

Sincerely yours,
